

Hickory Knoll Combined Driving Event Sponsorships 2009

The Hickory Knoll CDE now attracts drivers from seven states to Fitchburg, Wisconsin for a nationally recognized American Driving Society event. Our goal is to join the Iron Horse CDE as one of the two best driving events in the Midwest.

Significant financial support is required to host the event, which is organized by The Hickory Knoll Fund, a charitable non-profit foundation that supports natural resource and equine education. We invite you to join us in supporting and hosting drivers, feeding a hundred volunteers and welcoming new friends to Fitchburg and Dane County.
